What We Offer

FOOD SECURITY

Sparked by the needs of our students and their families after COVID-19 shutdowns, SWE pivoted into a hunger relief team and has since served over 7 million meals!

VOLUNTEER OPPORTUNITIES

Get involved with giving back to your community! SWE offers volunteer opportunities at the food pantry, meal delivery and in our out-of-school programs.

OUT-OF-SCHOOL PROGRAMS

So What Else offers summer camp and after school programs where children have a safe and enriching environment to attend when they're not in school and take part expressive arts, literacy, sports, wellness and service activities. All programs incorporate our value system: "The 10 Pillars" shown below.
